

TTC torches

FOR GREAT PERFORMANCE AND EASE OF USE

TTC torches

TIG WELDING TORCH, AN EXTENSION OF YOUR HAND

Kemppi TIG torches are made for real craftsmen who deserve the best tools. The TTC range is designed for use with specific Kemppi TIG machines and available in both gas- and water-cooled models. TTC torches support RTC10 and RTC20 remote control units that replace the standard on/off switch with a convenient and precise remote current regulator for easy ignition and power control at distance. Manufactured using the best materials, you can trust Kemppi TIG torches to perform, allowing you to concentrate on completing those beautiful looking TIG welds.

KEY BENEFITS

READY TO WELD

Use with Kemppi MasterTig MLS series, including gas/water/switch connection and compatible standard market head parts

LIGHT IN WEIGHT

Cable sets and flexible supports, reduce wrist loading and increase comfort

ALTERNATIVE - EQUIPMENT AND SOFTWARE

TTK torches

The TTK torch range fits a wide range of industrial TIG welding machines.

TTM torches

The TTM torch range is equipped with manual gas valves to regulate the shielding gas flow, ensuring basic TIG welding tasks are easily completed.
